SPOILER SUNROOFS

Skyroof® sunroofs feature a compact, low profile frame with a curved leading edge, making it the perfect fit for today's rounder cars, trucks and sport-utility vehicles.

The Skyroof® Spoiler Sunroof features a wrapped headliner with sliding shade for that factory finished look. Integral vents allows you to block out the sun and still have fresh air while the sunroof is open.

Illuminated Switch

The Skyroof® can be opened, vented or stopped in any position allowing you to enjoy a fresh, open air driving experience.
