RA RESTYLING ACCESSORIES

Restyling accessories provide automotive dealers and owners an effective way to differentiate both new and used vehicles from existing inventory and competitors, increasing brand awareness, demand and sales. All restyling accessories are designed and manufactured to overlay the OEM part giving the appearance and feel of factory chrome. Upgrading a vehicle's trim level appearance has been made easier with over 700+ part number and vehicle application combinations available. Additional restyling accessories and applications not shown within this catalog are also available. Please contact your sales representative for more information.

When a vehicle is redesigned or refreshed, one of the components guaranteed to change is the grille. The grille provides the face of the vehicle as well as identifies the brand. CCI Grille Overlays embody the OEM styling, enhances the vehicle's trim level appearance and act as the perfect complement to the CCI line of restyling accessories.

- **Designed & manufactured to fit over and into OEM grille assembly**
- **Constructed of automotive-grade ABS**
- **No-hassle installation**
- **Limited lifetime warranty**

The Impostor® Series wheel skins are chrome ABS wheel liners which both simulate and overlay the OEM face of the specific wheel it was designed for. Wheel skins are ideal for upgrading a vehicle's appearance, differentiating existing inventory and providing a cost effective alternative to purchasing aftermarket wheels.

- **Transforms standard OEM steel/alloy wheels into factory appearing clads**
- **Constructed of durable automotive-grade ABS**
- **Easy to maintain**

● Blue wheel indicates a future application.
