

A large, blue, wireframe globe is the central focus. Inside the globe, several vehicles are depicted, including a red truck, a blue truck, a red SUV, a blue SUV, and a white truck. A dark blue banner with a white border is wrapped around the middle of the globe, containing the text 'VISUALIZE STYLIZE MAXIMIZE' in a white, sans-serif font. The globe is set against a dark background with a blue arc on the left side.

THE  
**IMPOSTOR**<sup>™</sup>  
SERIES

Our Chrome Remedies series products are designed and manufactured to maximize a vehicle's appearance and value. Help your dealerships across the country broaden their inventory and create dealership distinction all while boosting sales and profits.

Upgrade a vehicle's base factory styled steel or alloy wheels into chrome using the Impostor™ wheel skins. Each wheel skin application is manufactured to form fit into the wheel it is designed for. Constructed of high impact ABS and triple-chrome plated, Impostor™ wheels skins are the perfect option for a quick and easy upgrade.

Give a vehicle a boost to its' EGO by installing our patented, easy-on grille overlays. Style and distinction combined with the ease of installation have put these grille overlays into a class of their own. Triple-chrome plated and engineered to fit precisely over the original grille assembly, our grille overlays are literally a snap to install.

Whether it is for a single replacement or a four-wheel upgrade, our Replica Wheels are the perfect solution to your wheel needs. All wheels are designed and manufactured to the highest appearance and dimension standards. We are one of the largest distributors in the country with now over 400 part numbers available in both domestic and foreign applications.

## REFERENCE MATERIAL

Need to identify a wheel/wheel cover? Ask your ISC about the latest edition of reference materials. As one of the largest suppliers of wheels and wheel covers in the country, we have thousands in stock to satisfy your customers' needs. All of our wheels and wheel covers are of the highest quality and priced substantially lower compared to OEM. From remanufactured alloys to take-off tires and wheels, to our complete line of Replica Wheels, our more than 100 years of industry experience can work for you! Make us your first call...if we do not have the wheel or wheel cover your customer needs on our shelves, we will check the shelves around the country and try to find it for you!
