E&G has designed another way for you to enhance your vehicle. Our CNC Replacement Vent Sets picks up right where the car manufactures left off. Adding just the right amount of detail to grab the attention of all. Our vents are manufactured from billet aluminum and formed with distinctive milled accent lines. With their slash cut center bar, mirror finished frame and stainless steel chrome mesh, the E&G Replacement Vents add just enough to the design of your car to make people stop in their tracks. Combine any one of these amazing Replacement Vents with one of our stunning Mesh Style Grilles, and watch how fast your vehicle attracts attention.
