

Hollandia 500

Two Glass Panels for a Panoramic View - Front and Back

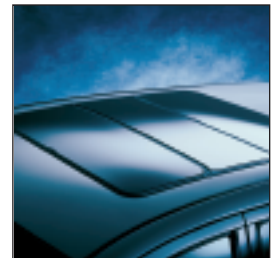

Dramatic Exterior Appearance

Model 500 Double Power

It's two-cool! The Hollandia 500 is totally unique inside and out with both panels working together or independently...you choose. Drivers and passengers (front and back) can enjoy. Two full-featured electronic packages to position the glass in any desired configuration.

2 Versions to choose from:

175mm (6 7/8") Short Center Panel Part # 33S5M161SSES
275mm (10 13/16") Long Center Panel Part # 33S5M161SSEL

Model 500 Single Power

The Hollandia 500 Single Power has a fully functional front panel, and a fixed rear panel. This unique design allows for a nice view of the outside from the back seat.

2 Versions to choose from:

175mm (6 7/8") Short Center Panel Part # 33S5M101SFES
275mm (10 13/16") Long Center Panel Part # 33S5M101SFEL

Both Hollandia 500 models offer a unique exterior appearance and a dual panorama on the inside.
