

# SHARP BOARDS

**FX**  
SERIES

FX Series running board is offered in 5 popular lengths. Made from high-impact ABS with textured black finish to provide an OEM look. The FX series come lighted or non-lighted, are paintable, or can be left black.

Hyundai SantaFe -- FX70, bracket SBR880

2002 Dodge RamQuad  
FX80 brkt kit SBR340

Custom-Fit for 2002 TRAILBLAZER  
FX73 (kit includes brackets SBR150)

Styled like the OEM Expedition board, SB Series' unique removable end cap design allows you to cut our board down to the perfect fit of any length up to 93". Stock one board and make the sale the same day! Use with universal or custom brackets. Made from high-impact ABS with textured black finish to provide an OEM look. Available with or without lights.
